

Legal Notices

Alcatel-Lucent Medical Expense Plan for Management Employees, Alcatel-Lucent Medical Expense Plan for Occupational Employees, Alcatel-Lucent Dental Expense Plan for Active Employees and Alcatel-Lucent Vision Care Plan (for Occupational Employees) (the "Plans")

Disclosure of Medical Expense Plans' "Grandfathered" Status

Notice is hereby given of the Plans' status as "grandfathered health plans" within the meaning of the Patient Protection and Affordable Care Act, as amended by the Health Care and Education Reconciliation Act of 2010 (collectively, "PPACA"). Under PPACA, a plan that is a grandfathered health plan is exempt from some — but not all — of the consumer protections of PPACA. For example, grandfathered health plans are generally required to make coverage available to adult children of participants until age 26 (the Plans are complying with this requirement) and generally may not impose "lifetime" limits on benefits (the Plans meet these requirements). On the other hand, grandfathered health plans are not required to provide coverage for "preventive" health services without cost-sharing (the Plans impose some cost-sharing).

Questions regarding which consumer protections apply and which consumer protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the Alcatel-Lucent Benefits Center at 1-888-232-4111 (1-212-444-0994 if calling from outside the United States, Puerto Rico or Canada), from 9:00 a.m. to 5:00 p.m., Eastern Time (ET), Monday through Friday. Participants and beneficiaries may also contact the U.S. Department of Labor's Employee Benefits Security Administration at 1-866-444-3272 or www.dol.gov/ebsa/healthreform. (This Web site has a table summarizing which protections do and do not apply to grandfathered health plans.)

Health Insurance Portability and Accountability Act of 1996 ("HIPAA")

If you are a participant in the Alcatel-Lucent Medical Expense Plan for Management Employees, or the Alcatel-Lucent Medical Expense Plan for Occupational Employees, and/or the Alcatel-Lucent Dental Expense Plan for Active Employees and/or the Alcatel-Lucent Vision Care Plan (for Occupational Employees) (the "Plans"), your personal health information is private. HIPAA requires the Plans to inform you of the availability of a notice about the Plans' privacy practices and legal duties, and your rights concerning your health information received and/or created by the Plans. You can print a copy of the Plans' Notice of Privacy Practices for your records at any time from the BenefitAnswers Plus Web site at www.benefitanswersplus.com. You may also request a copy by calling 1-908-582-4727.

Women's Health and Cancer Rights Act of 1998 Notice

The Women's Health and Cancer Rights Act of 1998 ensures that medical plans that cover mastectomies also cover certain related reconstructive surgery. A covered woman who has a mastectomy can elect the following procedures after consulting with her physician and be assured of plan coverage for these expenses:

- Reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment required as a result of physical complications for all stages of mastectomy, including lymphedemas.

Coverage is subject to all of the terms of the plan including applicable copayments, deductibles and/or coinsurance provisions. For more information, contact your health plan's Member Services.

Medicaid and the Children's Health Insurance Program (CHIP) Offer Free or Low-Cost Health Coverage to Children and Families

If you are eligible for health coverage from your employer, but are unable to afford the premiums, some states have premium assistance programs that can help pay for coverage. These states use funds from their Medicaid or CHIP programs to help people who are eligible for employer-sponsored health coverage, but need assistance in paying their health premiums.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a state listed below, you can contact your state Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you can contact your state Medicaid or CHIP office or dial 1-877-KIDS NOW or go to www.insurekidsnow.gov to find out how to apply. If you qualify, you can ask the state if it has a program that might help you pay the premiums for an employer-sponsored plan.

Once it is determined that you or your dependents are eligible for premium assistance under Medicaid or CHIP, your employer's health plan is required to permit you and your dependents to enroll in the plan — as long as you and your dependents are eligible, but not already enrolled in the employer's plan. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance.**

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2011. You should contact your state for further information on eligibility —
