benefits at-a-glance

The tables that follow summarize some features of the 2018 Nokia medical and dental plan options applicable to eligible individuals covered under the Active Represented plan design. Use them:

- | | |
|---|---|
| <ul style="list-style-type: none">▪ During the annual open enrollment period — To compare plan options and coverage amounts before making your enrollment decisions. | <ul style="list-style-type: none">▪ All year — Whenever you need information about your plan option or to determine whether a particular service or supply is covered. |

How Do These Tables Work?

Check and confirm:

1. Which specific options apply to you

You may not be eligible for all of the benefit plan options shown in these tables. To confirm the coverage for which you (and your dependent[s]) are eligible, you can:

- Visit the YBR website at <http://resources.hewitt.com/nokia>; or
- Call the Nokia Benefits Resource Center at 1-888-232-4111.

2. What's covered

For your quick reference, these tables show coverage amounts. Note that for a service or supply to be covered, it must be:

- Medically necessary for the treatment of an illness or injury, or for preventive care benefits that are specifically stated as covered;
- Provided under the order or direction of a physician;
- Provided by a licensed and accredited healthcare provider practicing within the scope of his or her license in the state where the license applies;
- Listed as a covered service and satisfy all the required conditions of services of the applicable options; and
- Not specifically listed as excluded.

In some cases, there may be additional required criteria and conditions. Services and supplies meeting these criteria will be covered up to the allowable amount or the negotiated rate, if applicable.

Need Information About a Health Maintenance Organization (HMO)?

Due to the number of HMO options offered, HMO coverage information is not shown in these tables. Medical and prescription drug coverage levels and costs vary by individual HMO option.

To review and print specific details for the coverage options available to you, visit the YBR website at <http://resources.hewitt.com/nokia> or call the Nokia Benefits Resource Center at 1-888-232-4111, during the annual open enrollment period.

You can also contact the HMO you are considering. You can find carrier contact information on page 11 of this guide. Or, if you are currently enrolled in an HMO, check the back of your HMO ID card.
